ADULT CLASSES

Instant Piano

(age 14 and up)

No need for years of lessons to learn piano. In just 1 session you can learn enough to give you years of enjoyment, whether entertaining others or just for your own amusement. The traditional approach teaches you note reading, while professional pianists use chords. You will learn all the chords you'll need to play any song, any style, any key. You'll then perfect your technique at home, using an exclusive CD provided by the instructor. It's easy, fun and musically correct! If you already know your way around the keyboard a little, you know enough to enroll in this class. If you don't, you'll need to receive a pamphlet to explain the basics before class.
